Recent Success

Over the past three years, implementing its *2018-2021 Strategic Plan: Transformation*, collegewide pursuits resulted in a wide range of significant accomplishments, including the following:

- 1) Implementation of a new Core Curriculum that provides a strong, integrated and mission-centered experience for students.
- 2) Transformation of the historic Memorial Church into the Chapel of Christ the King
- 3) Inauguration of the new Engineering Department, which offers degrees in civil and mechanical engineering and is housed in the newly renovated Mulligan Center for Engineering.
- 4) Development of a School of Health Sciences, housed in the newly named Dr. Richard Alley Center for Health Sciences and comprised of

Priority Two: Position the College to optimize recruiting and enrollment.

Recruitment of students has become increasingly competitive among colleges and universities. At .
